

13 March 2020

Dear Parent/Carer

Coronavirus

New Government advice is to self-isolate for 7 days if you develop a **new and sustained cough and fever.**

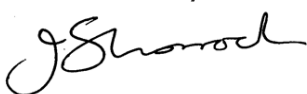

If your child needs to do this please let us know in the usual manner. During the 7 day period your child should hopefully recover from these symptoms. If however your child is still poorly please contact the school to advise us of this. You should of course then follow the additional advice that the Government has given regarding contacting 111.

If you have changed your contact details, especially your mobile number, please contact the school as a matter of urgency.

Additionally, see below current websites that our students use to enable them to work from home:-

Class Charts (If your child has not logged on yet, please contact school for help and support.)	All Subjects	www.classcharts.com
MathsWatch	Maths	www.mathswatchvle.com
HegartyMaths	Maths	https://hegartymaths.com
123 Maths	Maths	www.123maths.co.uk
PinPoint Learning	Maths	www.pinpointlearning.com
Memrise (13+ Only)	MFL	www.memrise.com
Dynamic Learning	Technology & Geography	https://my.dynamic-learning.co.uk
Pearson ActiveLearn	MFL	https://pearsonactivelearn.com
TRUETUBE	RS, PSHE, Citizenship	www.truetube.co.uk
Kerboodle	Science	www.kerboodle.com

Yours sincerely

Ms J Shorrocks - Headteacher
