

# MAT Bulletin Term 1

Welcome back to another school year at JSTC! We've had yet more success with our exam results over the summer and couldn't be prouder of all our students. I'm looking forward to another year as MAT Co-Ordinator to support and celebrate with our High Ability Pupils.

## Clubs

Keep an eye out on the school website, for our list of lunchtime and after school clubs starting up very soon. These range from sports to art to Warhammer so there's something for everyone!

## Language Leader Award

After the huge success of our Language Leader Award this year, we will be relaunching the programme for students in Y8 and 9. Language students will learn how to teach a lesson and will deliver a Spanish lesson to Alford Primary School pupils. Last year's cohort did a remarkable job.

## Y7 Settling in evening

For Parents and Carers of our new Y7s, this is an opportunity to meet their tutors, but also to find out more about our More Able and Talented Provision if you would like to. Please make an appointment via the main school office.

## Potential Plus Explorers

Over the coming term, pupils in 7R will receive a username and password for the online forum 'Explorers' from Potential Plus. This allows them to upload Art work or Book reviews, as well as learn more about High Ability Learning.
